## Year Six Spring 2025

Making **S=P+A+C+E** for learning

# Our learning in Year 6

At St. Thomas of Canterbury Catholic Primary School we have just one school rule, our **Golden Rule**:

**We treat others as we would like to be treated**

We reflect on this in school each week through our **GOLDEN THREADS**: 10 ways in which we can understand and follow our **Golden Rule**.

We teach the children how to be a St Thomas Learner. This includes:

- Making  $S=P+A+C+E$  for their learning

**A St Thomas' Learner** makes  **$S=P+A+C+E$**  for their learning

We believe that **St Thomas' Learners** can achieve **S**uccess through **P**erseverance together with a really positive **A**ttitude, **C**onfidence and, of course, **E**ffort.

Throughout this year we will be working on the Learning skills that lie behind these key attitudes to help each of us to improve as learners and to make the most of every opportunity that comes our way – our  **$S=P+A+C+E$**  skills.

## **P**erseverance

**A St Thomas' Learner...**

**NEVER GIVES UP**

**TRIES AND TRIES AGAIN**

**Isn't afraid to get things wrong**

**Is resilient**

**Always gets involved and has a go**

## **A** positive, can-do Attitude

**A St Thomas' Learner...**

**BELIEVES IN THEMSELVES**

**Has a GROWTH mindset**

**Wants to take part**

**Is always optimistic**

**Encourages others**

**LOVES LEARNING**

## **C**onfidence

**A St Thomas' Learner...**

**Is happy**

**Knows they CAN**

**Believes in the power of yet**

**LEARNS FROM THEIR MISTAKES**

**Is happy to share**

**Knows they are valued and loved**

## **E**ffort

**A St Thomas' Learner...**

**Is always ready to learn**

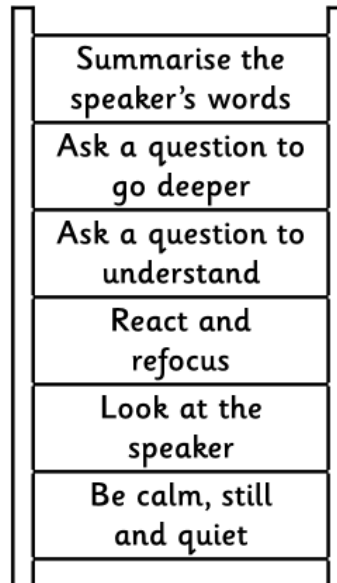

**listens**

**Isn't distracted**

**Makes good use of time**

**WORKS IN THEIR CHALLENGE ZONE**

- Following the listening ladder

Are you  
making  
**S=P+A+C+E**  
to **LISTEN?**

- Keeping our presentation policy

## The St Thomas' Presentation Promise

As **St Thomas' Learners** we aim to be the **best** that we can be and so I promise:

To take real pride in everything I do

To always use my best handwriting

To respect my books and keep them free of doodles and scribbles

To put the date and Learning Title on every piece of work at the top left of my page

To always underline using a ruler

To use a sharp pencil or a good handwriting pen for my writing (always a sharp pencil for my maths)

To use a sharp pencil for every drawing or diagram

To make sure I use every page in my book

To put a single, neat line through my mistakes

To write carefully on the lines in my books

To make sure I glue things into my book as neatly and carefully as I can – straight and the right way up!

- Being ready, respectful and safe

Ready

Respectful

Safe

- Treating others the way they would like to be treated

This academic year we are having a whole school focus on what it means to be "Ready, Respectful and Safe." We will look at why this is important and how to demonstrate this in lessons, at lunch times, in the corridors and at playtimes. This is a theme you could talk to your child about over the year ahead.

We build our resilience and foster our mental health and wellbeing by: Making **S=P+A+C+E** for **ME**

At St Thomas' we celebrate who we are by making

**S=P+A+C+E** for **EVERYONE**

*Based on Paul's letter to the Corinthians 12:1-31*

A celebration of belonging, of uniqueness and community

**EVERYONE** is welcome here

As part of our School family, as part of God's world.

Who is everyone?

**EVERYONE** ...

Different and unique

Equal and respected

Loved and belongs

**YOU** are **EVERYONE**

## Aim/Key skills we are focusing on:

Our new **S=P+A+C+E** Skills, including:

To be confident and successful learners:

Follow the steps to success, learn from your mistakes, enjoy your learning, listen carefully, select and present information appropriately, use times and resources effectively, recognise when to challenge myself, solve problems, show and explain to others, share ideas confidently, inference and deduction to offer explanations, use feedback to improve mine and peer's work, setting a good example to others, empathising with others and making S=P+A+C+E for our learning.

## Challenge and Celebration:

The children will design sculptures linked to our learning in Geography and English.

## Homework:

- **Reading:** In Year 6 we ask that the children read at home every day for 20-30 minutes and discuss what they have read. Please could the children record the numbers of at least 4 fiction/non-fiction questions each week, in their reading record. These questions can be found inside the front and back covers of their Homework Diary.

- **Spelling:** Each week, the children will be set a list of spellings to learn for homework. From January the spellings will be set and tested on a Monday not a Friday. Sometimes the spellings will follow a pattern/ rule and sometimes they will be statutory words that do not follow a set rule. We ask that children practise the words at home at least 3 times during the week and then write a paragraph (or more) to demonstrate their understanding of the new spelling vocabulary. The paragraph should be at least 5 sentences long, punctuated accurately, and each sentence should contain at least one of the spelling words. The children may choose to write a story, a newspaper report, a comic strip or any genre of their choosing – choose something different each week. These spellings will be tested each week in a dictation.
- **Grammar & Maths:** CGP pages set each week please complete one workout in each book per week
- Other homework tasks such as: research activities, an RE activity, song words for a performance etc. will also be set over the course of the term.

Your child has their school pencil case. Replacement glue sticks, handwriting pens, pencils, rulers, rubbers and pencil sharpeners will be available to buy from our Stationery Store organised by School Council.
