them and see how much they
enjoyed it!

(4) Use of good seeds

The seeds used should be healthy in order for them to germinate.

Good seeds have smooth coat or testa. have no holes in them and have no pests.

(5) Gap Filling:

This is the process of replanting seeds in holes where they did not germinate.

Building Bonds with Busenya

What do we learn?

What do we learn?

- A better understanding of the wider world and what life is like for others.
- A better understanding of our life and culture.
- To give to charity in a meaningful way.
- To meet our School's Mission Statement

God's love is at the heart of our Catholic School family. We show this in our respect, kindness and love for others and by treating other people as we wish to be treated ourselves. We will encourage everyone to be the best that we can be.

What we are doing this year?

- **B** for **B**usenya
- Raising our awareness
- Books and pens and pencils for the children
- Teaching resources for the children
