Statement of Principle

Our Mission Statement and Aims highlight the fact that we look to the potential of EVERY child whatever their circumstances. Whilst a set of children have been identified as being eligible for Pupil Premium, we see them as individuals. Each child is special and unique, each child has different needs and each and every child in our school is encouraged without distinction to be the best that they can be.

Aspirational target setting for 2017-18

- 100% of Pupil Premium children will meet the national age related expected standards in reading, writing and maths at the end of KS1 and KS2.
- 100% of Pupil Premium children will meet their personal end of year target in reading, writing and maths.
- The gaps in attainment for Pupil Premium children and non-Pupil Premium children will continue to close across the curriculum and in every year group across the School.
- All Pupil Premium children will have full access to the extended school provision irrespective of means.
- All Pupil Premium children will have access to all educational and residential visits irrespective of means.
- All families will continue to have access to the services of the ELSA and of the Home School Link Worker

<p>In-school barriers</p>		
<p>Ensuring full parental involvement and engagement with children’s educational needs and aspirations, buy-in from parents/carers in identified cases to development of habits of mind and attitude to learning through the St Thomas Learner. <i>Continued improvement in engagement from last year. At October parents evening 95% of disadvantaged children’s parents attended (98% whole school)</i></p>		
<p>Ensuring full support is provided for disadvantaged children who are also children with EAL and/or children with Special Educational Needs (linked to engagement with parents/carers). <i>52%</i> of Disadvantaged cohort are also EAL (<i>43%</i> non-disadvantaged pupils) and <i>23%</i> SEN (<i>8%</i> non-disadvantaged).</p>		
<p>Ensuring full support is provided for disadvantaged children who are high attainers to ensure access to extra-curricular activities and to opportunities for deeper learning through curriculum enrichment activities at local secondary schools etc (11% of disadvantaged cohort). Focus for KS1 opportunities.</p>		
<p>External barriers</p>		
<p>Accessibility to timely relevant professional support for SEN as highlighted in Ofsted report on Surrey provision. <i>Focus of Inclusion team to ensure early involvement of EP and other external agencies to ensure external support is as efficient and rapid as possible.</i></p>		
<p>Group vulnerability – <i>43%</i> of Disadvantaged cohort are also flagged for Child Protection issues. This creates need for higher focus on emotional and social support.</p>

Effective support for families and pupils who are vulnerable or anxious	Training and employment of ELSA with up to 2 days for working with children on emotional needs including social skills.	A necessity in line with our School ethos. High level of need amongst Disadvantaged cohort. Clear evidence that self-assured, emotionally stable children make more rapid progress in their learning and ELSA support programme is effective at boosting the children's confidence and their ability to speak up and share their worries which form barriers to their learning.	Simple unobtrusive assessments at start and end of series of interventions by ELSA with individual children. All children in disadvantaged cohort meet age related expectations at the end of KS2 in Reading, Writing and Maths (at least Working at expected levels at end of curriculum year).	<ol style="list-style-type: none"> 1. Consistent high Quality First teaching in all classes 2. Ensuring all teaching and classroom support staff are aware of Disadvantaged cohort 3. Providing additional adult support, improving the adult to child ratio in classrooms for children in receipt of the Pupil Premium and providing focussed intervention programmes as necessary in order to help reduce the Attainment gap together with grouped support as appropriate 	Whilst the data is inconsistent across year groups, the gaps have closed from the end of the previous year in reading and maths across the school cohort. In Year 2 and Year 5 our disadvantaged cohort out performed their counterparts in the year groups. In Year 6 in maths and reading the gap between the groups was very small but in writing it was larger. The cohort numbers in most of the year groups means that the data can be a little misleading but generally the gaps in reading and maths are smaller than in writing. This is against the school trend in that the majority of our disadvantaged cohort are girls rather	The new directed intervention as part of the Pupil Premium Strategy for 2016-17 has been focussed in reading and maths and can be seen to have a direct and positive impact in reducing the gap between the disadvantaged and non-disadvantaged cohorts in those subject areas. A focus on writing for 2017-18 is planned and this will include a review of interventions for writing and the introduction of increased basic skills learning intended to boost spelling and grammar in daily writing and so improve outcomes.	£16,000

		than boys (16: 9) and as a whole cohort the girls writing is stronger. However, Writing is a focus for 2017-18 and so we would anticipate that this will be addressed.

Effective support for families and pupils who are vulnerable or anxious	Training and employment of ELSA with up to 2 days for working with children on emotional needs including social skills.	Children's feedback all positive. Parental feedback positive (where given). Behaviour issues where relevant have reduced.	Extended hours of both ELSA and HSLW have been a very positive step and look to further extend into 2017-18. Supervision key for support for ELSA and HSLW.	£20,000
Effective support for families and pupils who are vulnerable or anxious	Contribution towards employment costs of HSLW. Targeted family centred work including, for example, regular drop-in sessions, emotional wellbeing support, parenting support classes, signposting to relevant services and funding as appropriate to individual need.	Behaviour for learning and learning attitudes as St Thomas Learners much improved. Attendance and parental involvement increased by virtue of HSLW intervention and support – see above. School attendance at least matching non-disadvantaged except for 2 children.	Look to develop more family learning and parenting support
