OUR AIMS

- To guide our children to grow in the love of God and build relationships that will enable them to make a positive contribution to the school and society.
- To develop an exciting, challenging and creative curriculum that produces confident and successful learners who are the best that they can be.
- To develop high quality learning that enables every child to flourish, to discover their talents and be lifelong learners.
- To establish a teaching and learning environment that encourages everyone to enjoy, to achieve, to be inclusive, to be healthy, and to stay safe.
- To nurture a strong partnership between home and school.
- To have respect and understanding for our school, our community and our world, helping our children to become responsible citizens and good role models.
