PERMISSION FOR EMERGENCY/OPERATIVE TREATMENT

In an emergency, when a parent/carer's attendance cannot be immediate, it is sometimes necessary to obtain medical treatment for a child from a Doctor or Casualty Department of a hospital. As delay in these circumstances is highly undesirable, we would ask that you give your consent below in case such an emergency should arise.

In the event of sudden illness or injury affecting the child named below and if recommended by a qualified medical practitioner, I agree to emergency medical treatment including operative treatment and/or administration of a general anaesthetic to my child
