

St Thomas of Canterbury Catholic Primary School

*Where every child is special*

## Our Eco-Warrior Code

### Keep our playground green -

- Pick up our litter. The bin is the best place for it!
- Use the correct bin!

### Save energy and water -

- Turn off taps and lights. This helps to save money.
- Keep windows closed when heating is on.
- Turn off the screens.

### Reuse the rubbish -

- Food goes in our mouths or the waste bin.
- Reuse plastic bags.
- If you don't want your clothes, someone else will!

### Come to school in a green way -

- Try walking, skating, cycling or scooting instead of driving.
