

# THE GOVERNORS FUND

## WHAT IS IT?

As a faith school, the diocese funds 90% of any infrastructure work the school needs, but we as a school need to fund the rest. This is what the money in **The Governors Fund** is used for. A suggested donation is £54 per child per year.

## WHAT IS IT SPENT ON?

Recent projects have included the upgraded washroom areas throughout the school and the emergency work installing the new boiler in 2016.

## HOW TO DONATE?

The Governors Fund is now set up on Scopay, but donations can also be made by direct debit or cheque

## HOW TO MAKE YOUR MONEY GO EVEN FURTHER? **GIFT AID IT!**

Signing up to Gift Aid adds 25% to your donation with no extra cost to yourself and this supports our school further

**Please ask at the school office for a form – it is quick and easy to complete!**

Claims can be made on donations going back 4 years

**Greater security**

**Updated infrastructure**

**Better use of spaces**

**What has the Governor's Fund been used for recently?**

**Improved washroom facilities**
