

# St Thomas of Canterbury Catholic Primary School

*Where every child is special*

---

## Same but Different

*What will it be like when I come back to school?*

*St Edward Stars*

---

Making **S=P+A+C+E** for learning

Making **S=P+A+C+E** for learning

**After half term more children are going to be in school again. Children from EYFS, Year 1 and Year 6 will be back in class.**

**So when you come back, some things will be a bit different. You will still enjoy your days in school and still be using your learning packs but this booklet describes some of the changes for you.**

**Your classroom will be 4P, your bubble name will be St Edward Stars**

**Your teachers will be Miss Petley and Mrs Hills**

**You will learn and play with the other children that are in school as their parents are key workers. As you know, this group can vary from day to day.**

**Your group will have children from Years 4 and 5 in it.**

**Have a look at the page on our website to see a video from Miss Petley and Mrs Hills saying hello and welcome to St Edward Stars. We are all looking forward to seeing you after half term!**

### **What will your Day Look Like?**

Your adults will drop you off at the field. Your teacher will welcome you and show you how to line up.

You will have your own desk and will keep all your belongings on the spare chair next to your place. You will be asked to always work at that same desk and to use your own equipment and not share equipment with others.

You will be asked to wash your hands at certain points throughout the day. This is important to keep healthy and safe.

When you learn and play with your friends you will be asked to try to “keep your gaps”.

You will be shown how to walk around the school, which will be by using a one way route and you will go in and out of your classroom through your “outside” door.

You will bring your Learning Pack to school and your teachers will help you using the tasks in your pack.

The Scientists have given us these new rules to keep us safe in school.

### Things to bring to school every day:

- **Your Learning Pack**
- **A fully equipped pencil case.**
- **A reading book from home**
- **Named water bottle, healthy snack**
- **Named sun hat and apply sun cream before school**
- **A light weight coat (every day- we will go outside whatever the weather!)**
- **A sweatshirt even on warm days as the doors and windows to classes will be kept open**
- **Please remember not to bring any toys into school (including soft toys.)**

*We treat others as we would like to be treated*

**Our Golden Threads are still the same but when we come back to school, so that we can all keep safe, there are some new ways of living them out.**

### Thankfulness

We are so thankful we can come back together, we are thankful for our health, friends and school.

### Friendship

We show our friendship by playing and leaving gaps between each other.

### Kindness

To be kind at the moment means not hugging or touching one another. We can show we care by waving, smiling and using kind words.

### Respect

To show respect we do not touch other people's belongings. We do not share our equipment, toys, snacks or water bottles. We also have to wash our hands regularly.

### Hope

We are hopeful that the kindness and care people have shown each other during lockdown will continue to spread. We hope that we will all enjoy being together again, enjoy our learning and that soon this virus will stop affecting the way we live.

### Forgiveness and Tolerance

Sometimes we all might forget about our new "rules" and if one of us does, we remind them kindly and forgive them.

### Honesty

We need to be honest with our teachers and grownups at home about how we are feeling. Some of the changes will take a bit of getting used to- talk to us about how you feel. If you feel unwell remember to tell a grown up.
