

Ancient Greek pottery

Week 9 – Day 1

Let's have a look at some Greek vases.

What colours can you see?

What picture can you see on this pot?

What do you think is happening on this pot?

How old do you think
this pot is?

Now have a go at designing your own Greek vase using this sheet

Ancient Greek pottery

The Ancient Greeks were famous for making pottery. The best pottery was made in Athens. Greek potters were only allowed to use two colours— black and orange. They used these colours to decorate their pots with great battles, huge feasts or their favourite gods.

Have a look at some of the pots on this page. Can you design your own? Remember you can only use black and orange pencils.
