# Tuesday 07<sup>th</sup> July

Loving God, Lord of heaven and earth,  
this earth, our home, belongs to you.  
Give us grace to love it as you do.  
Give us courage to give ourselves, as you do,  
for the good of all people and all of your  
creation.

Strengthen us to stand, as you do,  
with the vulnerable poor.

Give us wisdom to know when we have enough,  
and the voice to say “enough”  
to all that harms creation and hurts the poorest.  
This earth, our home, belongs to you.  
Amen.

May the light  
of Jesus shine  
in our hearts

Dear Lord, \_\_\_\_\_

We thank you, Lord, for entrusting the Earth to us, so that we may look after and care for it and all living creatures on it. Forgive us when we lose sight of the beauty of the Earth, and inspire us to conserve the gifts you have given us. We pray especially for our world leaders, that they may too do everything in their power to protect our one world.

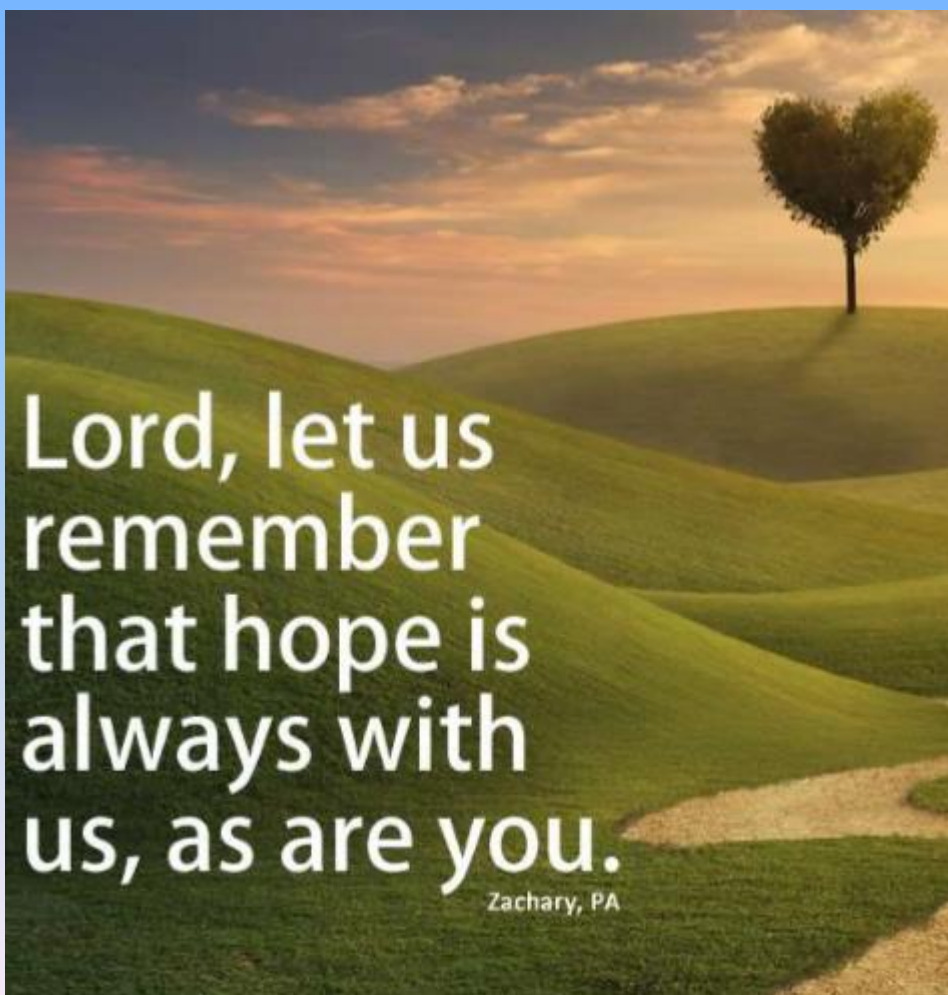

Amen

*Love One Another*

God of life,  
Creator of the earth and all that it contains,  
you rested and beheld all that you had made  
and you saw that it was good.  
Remind us in this time of social distancing and  
uncertainty that we are always in your sight.

Help us to think of others and go out of our  
way to comfort and support those most in  
need.

Open our eyes to see what is truly important  
And lead us to seek the real joy and hope that  
only comes from you.

We ask this through Christ our Lord, Amen.
